Hotel
Tipping

The following are customary tip levels for the excellent services hotel workers provide you.

Valet:

\$1-\$2 each time they get the car, more in bad weather.

Shuttle Driver:

\$2

Doorman:

\$1-\$2 for hailing a cab.

Bellman:

\$1-\$3 per bag.

Room service:

15–20% of the bill but no less than \$2.

Housekeeping:

\$2-\$5 per night.

Restaurant:

15%-20% of the bill.

It is against policy for hotel workers to solicit tips.

Please consider tipping at higher levels at this hotel.

Most or all of the men and women here do not have a union contract with free or affordable family health insurance, pension, or regular work hours that many unionized hotels provide.

You can help. A higher tip from you will make a real difference to these workers.

Thank you!
